PROJECTS

MENTOR ME |

- * Identified a Communication gap and mentorship gap among college students for career path Questions.
- * On our campus 90percent of people are facing the problem of lack of guidance During their preparation for Any Exams and During career path choosing.
- * Created a mentorship platform to bridge the gap between seniors and juniors.Implemented features such as search based on skills(Domain) matching, communication tools, and Ask Suggestion Feature.

Hotel-Ease |

- * Designed and developed a hotel booking and payment system using React for the frontend and Spring for the backend.
- * Implemented features for browsing hotels, making reservations, and processing payments securely.
- * Ensured seamless integration of frontend and backend functionalities for a smooth user experience.
